

How to Access Rezdifra™ (resmetirom) for Your Patients

4 steps to prescription fulfillment

1  **Send the prescription**

Rezdifra is available through a limited distribution network of specialty pharmacies (SP). You can send the prescription to any of the SPs listed in the table.

- If you're unsure which pharmacy to send it to for your patient's specific coverage, enroll your patient in Madrigal Patient Support and we can help you. Go to [madrigalenrollmentHCP.com](https://www.madrigalenrollmentHCP.com)

2  **Confirmation**

The SP will confirm insurance coverage and out-of-pocket costs.

- Prior authorization (PA) may be needed to obtain Rezdifra; the process can take 2 to 10 or more days
- The SP will coordinate with your office to complete the PA
- You can also submit necessary PA forms through CoverMyMeds (CMM) [here](#)

3  **Shipping**

The SP will call the patient to schedule shipment.

- Please remind your patient to accept the call from the SP

4  **Refills**

The SP will contact the patient for refills.
